ABOUT INSTITUTE

RMP was established in the year 2010 and in a short period of seven years it has attained the commendable milestones of progress. Today it is regarded as one of the best polytechnics in Konkan region.

Institute has been awarded **EXCELLENT** remark to Mechanical department by MSBTE.

The institute has its own space of more than 6 acres and highly qualified staff graduated and postgraduate from reputed universities of India. Institute has well equipped state of art laboratories, library, Reading rooms, class rooms, seminar hall, drawing hall, computer center etc. Institute provides separate hostel facilities for boys and girls and canteen facility too. Institute has excellent result in academics and full-fledged training and placement cell for recruitment of students in reputed organization.

VISION

To be a premier technical institute in India providing career-oriented quality technical education to generate qualified, skilled and globally competent manpower responsive to technical and social needs.

MISSION

To provide lifelong culture for learning and knowledge creation through best educational facilities to student and staff

To equip students technical skills and soft skills including ethical values to prepare them for entrepreneurship and employment in rapidly changing global market scenario.
