Chairman's Message

It is a matter of great pleasure and satisfaction that RMP has come up with the third issue of the Departmental Newsletter. I believe that the newsletter will serve as a window through which the complete profile of the academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed.

We at RMP are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young engineers and managers to confidently and competently face the challenges of intensifying competition by imparting high quality technical and managerial education coupled with appropriate training and wide exposure to the state-of-art practices. Our educational programmers lay emphasis on all round personality development and also in inculcating human values and professional ethics which help our students become more human and socially responsible to lead a meaningful life. Best wishes for the success and bright future in all their endeavors.

Hon. Shri. Ravindra Mane
Chairman. PSPS

Principal's Message

I am very happy to note that the Department of computer Engineering of Rajendra mane Polytechnic (Ambav- Devrukh) is releasing its Newsletter enumerating the various activities and achievements of their faculty and students. Computer Science will provide the knowledge and skills required to help revolutionize the world in which we live and work. Computer Engineering covers the computer science theory, algorithms, implementation and systems principles of computer languages and computer networks .The students and faculties of department are always proactive in taking initiatives in technical, cultural and social events. I hope that this newsletter will serve the purpose of reflecting all activities of department and it will inspire others to do their best. I congratulate all the students who have put their efforts in bringing this third issue of departmental newsletter and also appreciate HOD and all faculty members for motivating their students towards this fulfillment. I wish each one of them in the Department success in all their endeavors.

Principal

From Editors Desk

It gives a tremendous pleasure in bringing out third copy of our departmental newsletter under the leadership of our principal Prof. N.B. Bhopale. This newsletter is the representation of immense hard work, devotion and contribution made by, H.O.D. Mr. A. A. Yadav, Mr. A.N. Shetye (ASCE Coordinator) all teaching and non-teaching staff members and all the students from computer engineering department in the year of 2017-18.

About Department

Expert Lectures

Expert Lecture by Mr. Deepak Ambekar on Cyber Cell Activities

PIONEER 2k18:

In order to develop a presentation skills, boost confidence of student ,Computer Engineering Department organized a State Level Technical Paper Presentation on 3rd October 2018.Total 11 groups from all over the Maharashtra successfully participated in that competition.

Alumni Meet

Alumni Sharing There views

**Alumni Sharing There views**

- **Brave Information Technical Solution:**
  Nowadays it is an era of automation, less hardware parts, less power consummation so in order to get knowledge of embedded system, interfaces, database connections, we organized a 2 days workshop on Python language. Workshop was conducted by Mr. Ajinkya Naphade who is owner of Brave Information Technical Solutions (BITS).

Day 1 of workshop   Day 2 of Workshop

Students are looking for technical education, which can help them to build career in various companies. To make students aware of what is actually happened in IT Industry, what is expected from employees in IT companies? We organized various expert lectures and industry visits, so that students will go through some sort of industry oriented experience.
