## Chairman's Message

**Hon. Shri. Ravindraji Mane**  
**Chairman, PSPS**

It is a matter of great pleasure and satisfaction that RMP has come up with the third issue of the Departmental Newsletter. I believe that the newsletter will serve as a window through which the complete profile of the academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed. We at RMP are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young engineers and managers to confidently and competently face the challenges of intensifying competition by imparting high quality technical and managerial education coupled with appropriate training and wide exposure to the state-of-art practices. Our educational programmers lay emphasis on all round personality development and also in inculcating human values and professional ethics which help our students become more human and socially responsible to lead a meaningful life. Best wishes for the success & bright future in all their endeavors.

## Principal's Message

I am very happy to note that the Department of computer Engineering of Rajendra mane Polytechnic (Ambav- Devrukh) is releasing its Newsletter enumerating the various activities and achievements of their faculty and students. Computer Science will provide the knowledge and skills required to help revolutionize the world in which we live and work. Computer engineering covers the computer science theory, algorithms, implementation and systems principals of computer languages and computer networks. The students and faculties of department are always proactive in taking initiatives in technical, cultural and social events. I hope that this newsletter will serve the purpose of reflecting all activities of department and it will inspire others to do their best. I congratulate all the students who have put their efforts in bringing this forth issue of departmental newsletter and also appreciate HOD and all faculty members for motivating their student's towards this fulfilment. I wish each one of them in the department success in all their endeavours.
